

Good Morning,

Please read this e-mail all the way through for important event notes and reminders. If you are receiving this e-mail it is because you signed up for the in-person Lumberjack & Jill event. If you have already reached out to us because you switched to the virtual event, please disregard this e-mail.

An E-mail was sent out on 9/25 with details about the Waves, Startline, Walkers Relay, Packet Pick-Up and Maps. If you did not see it, you can view it at the bottom of this e-mail or view it here:

Transfers and scam warning: It has come to our attention that scammers have been trying to sell Lumberjack & Jill “tickets” on Facebook. All transfers for Run Away Events happen through our Race Entry site when registration is still open and through our facilitation through events@runawayshoes.net after registration closes. This is to ensure waivers are signed by the participating individual and we know who is out on the course. It has come to our attention people are trying to sell fake Lumberjack registrations. If we are not part of the process, do not proceed.

Transfers: If you need to complete a transfer at this point – please e-mail us at events@runawayshoes.net and include the person you are transferring to in the e-mail. This assures the person receiving the transfer that you are in fact registered for the race and makes us aware that this transfer will be finalized at packet pick-up.

The person you are transferring your bib to will need to pick up your packet at packet pick up and then take it to the additional assistance table at packet pick-up to complete the transfer and sign a waiver. If any money is going to be exchanged for the entry it is between the participants.

PARKING

Parking for the race will be along the surrounding streets.

RESULTS

Results will not be posted at the race and there is no awards ceremony or pick-up at the event.

You will receive an e-mail with your results following the race. They will also be linked on the Lumberjack & Jill website when they are available.

(www.runawayshoes.net/lumberjackjill) If you have any questions or issues with the results you receive, please e-mail events@runawayshoes.net

For the 10 mile and relay, this is a chip timed event. Make sure you are wearing your bib on the front without anything covering it.

AWARDS

Awards will be given to the overall winner (male and female) along with the top 3 finishers (male and female) in each age group.

Relay awards will be the top 3 teams in each division: all male, all female, and mixed.

Once results are final, awards can be picked-up at Run Away Shoes in Appleton, Oshkosh or Green Bay. Awards will be gift cards of varying levels to Run Away Shoes.

If you have any additional questions, please e-mail events@runawayshoes.net

Thank you to sponsors Aquire Restoration, Festival Foods, Advanced Physical Therapy Sports Medicine, Dockside Tavern & Run Away Shoes. Proceeds of this event support the Oshkosh Kids Foundation

Thank you for your participation in this event!

Wave Starts

Due to the number of in-person participants, there are now only TWO waves – one mask required at start wave and one mask optional wave.

- If you signed up for the **mask required at start** 8:00am or 8:15am wave, your wave is now the **8:15am** mask required wave
- If you signed up for the 8:30am or 8:45am **mask not-required** wave, your wave is now **8:30am**

If you cannot remember which wave you signed up for please visit participant self-management here to resend or print your confirmation:

<https://www.raceentry.com/races/lumberjack-and-jill-10-mile-run-relay-and-2-mile-walk/2020/participant>

There are still a handful of participants who have not picked a wave. If that is you, email us as soon as possible: events@runawayshoes.net

You will also receive a race bib that notes what wave you will be in.

Please e-mail us at events@runawayshoes.net with any questions

Race Start line Guidelines

- You must report to your wave start time that you signed up for only.
- Please only arrive at the start 5 minutes before your wave start.
- You must stay in your car or away from the event area before that time to give respectful social distancing for the other wave starts. When you arrive, find a mark to stand on in the start line area.
- Please respect social distancing and do not move around within the start line area. If you are the 8:15am start, please remember your mask. We still strongly encourage wearing a mask at the start and finish of the race for each of the waves

2-Mile Walk Participants: Due to the number of participants, there is not a separate 2-mile walk wave, please line up in the back of the line of participants for the wave you signed up for.
