

Greetings!

We are looking forward to race day! If you have not received two other e-mails from us (one sent on 9/25 and the other on 9/29) please click the link below for those notes.

The course will have minor tweaks to it than what you may see on the map on the website but will be well marked. Please follow the signs.

On your bib, there is a drink coupon for Dockside Tavern. Their establishment is temporarily closed for an unknown period of time so we are extending the free beverage coupon on your bib into next year to accommodate whenever they do reopen. Please ignore the expiration date on that coupon.

Please do not come to packet pick-up if you are feeling unwell or have been near someone recently diagnosed with COVID-19. E-mail us at [events@runawayshoes.net](mailto:events@runawayshoes.net) and we will hold your packet for you at Run Away Shoes until you are well. If you are able, please wear a mask to packet pick-up.

All the other notes from the other two e-mails can be found here:

Thank you!
