

# Start Line Instructions

Enter on Siewert Tr.

**Restrooms** are located in the parking lot by the Reetz Softball Complex (city decides if they will be opened based on the weather). If they are closed we will have porta potties instead.

There are NO restrooms at The start line, so plan accordingly before you head to the start.

**Packets** will be available for teams to pick-up along near the parking lot by the start area beginning at 6:30am through the start of the last wave.

Please attend your assigned wave start time!
